“Then the King will say to those on His RIGHT HAND, ‘Come, you who are blessed of My Father...for I was hungry and you gave Me food, thirsty and you gave Me drink, a stranger and you took Me in, naked and you clothed Me, sick and you visited Me, in prison and you came to Me.’ Matthew 25:34-36

December 23, 2018

Dear RHM Friends,

Greetings once again in the Precious Name of our Lord JESUS.

Sorry for the lack of variety as far as the design of these newsletters. Some have commented that the format is usually about the same each time, usually because of a lack of time on my part. This month is no exception, as we're on ministry overload. Praise GOD! A little tough to keep up with the admin side, but happy to be about His business.

On the backside of this newsletter we mention the passing of 2 dear ones in our widows/elderly ministry. Just this morning we learned about the passing (promotion) of one of the HOPE widows, Vimalamma. We shared about her recently, how her family wasn't caring for her properly. Thanks to our Father for a much brighter future! Being here in India with limited communication, at this writing I'm not sure that you will actually be reading this newsletter while it's still 2018. **If it is still 2018**, would you consider making an end of the year donation to RHM? Checks sent by US Post must be postmarked on or before December 31st. Last year we had a substantial check written Dec. 29th, yet it was not postmarked until a few days after the 1st of January. Sadly, we weren't able to count it as a 2017 donation. To avoid that risk, you can also give online via our Donation page on the RHM website. Any donation made before the end of the year will be counted for 2018.

We are so thankful to those of you who have given toward this year's Christmas Project, and have made end-of-the-year donations! This year the Lord enabled us (through your giving) to have Christmas programs in 5 different villages. Tonight (the 23rd) we have our last program in Golapalem. The HOPE children have done great with their dances, songs, skits, etc.

Below: HOPE girls leading children in doing action songs during the Christmas program in the village of Nandayapalem. We had a wonderful turnout of around 100 adults & children singing, hearing the Word, etc.

Above: HOPE girls doing a skit about the birth of Christ (in manger). In the middle are Joseph and Mary, with the angel behind them. To the left are the "wise men", and to the right are the shepherds.

etc. Jean Joy (18) especially has been a great blessing in leading the programs this year. The HOPE School had its program yesterday, well over 300 there. Every meeting includes sharing the Gospel, many non-believers usually attending. Praise the Lord for the ability to provide gifts to all the village children, as well as to all those in the widows & elderly ministry! ***“I will sing for joy at the works of Your Hands. How great are Your works, O Lord!” Ps. 92:4-5***

Above Left: Raju, part of a youth group which had just finished doing a skit during our Christmas program in Nandayapalem. **Right:** Pray for these poor pastors. We have been helping them via a sponsor, but the support has stopped.

Above Left: Four widows in Bangarakkapalem receiving new dresses for Christmas. Another widow didn't show for some reason, and another one is paralyzed, so we went to her home. **Right:** We had a nice Christmas meeting in KB Palem, where there's 10 widows, elderly or handicapped we're assisting. Other adults and children also joined us.

Both of these precious women received a heavenly promotion this week: Their weak and broken bodies finally died, so they have no more suffering in this evil world. At **left** is Veeramma from Alluru. For many months, perhaps for more than a year she has not been able to leave her hut. The last 2 or 3 times that I and/or Brother Wesley went to see her in her hut, it was obvious her body was beginning to shut down. On the **right** is Subamma from Wesley's church in the town of Singarayakonda. He said that she was a faithful woman. **Read Psalms 116:15 (precious!)**

Pray for our widows and elderly ministry,

at this time at 145 after the promotion of these 2 ladies. There's also 18 at HOPE (another one could be passing out of this world soon), and 21 in another more volatile area of India. Please pray for these also. Our main prayers are that they all would be faithful unto the Lord, have the blessed assurance of His great salvation, and that through this ministry He will make *"the widow's heart sing for joy"* (Job 29:13). If they will love Him truly, trusting in His precious promises **for them**, they can experience this joy even in the midst of their discomforts, weakness, pain and rejection.
