Dear RHM Friends,

For those receiving this by postal mail, this is probably reaching you in early March. Already I was running late, and now am in another state of India, not able to work much on the computer.

Our friend, Russel Baker, from Oklahoma visited HOPE in early February, now back in the States. He spent much time with the HOPE children during his 7 days in this area.

We had sent out an extra email update, asking you to pray about helping with 2 needs: HOPE School girls Preethi & Pinky (Preethi now in another school) lost their Dad in a motorcycle accident recently, their mother left with trying to pay back many loans (her husband had another accident more than a year ago, which brought many financial burdens into their poor family's lives). The 2nd need was about the pastors in a more volatile area which we are trying to assist as much as possible. We didn't get much of a response from that update, but did have a little over \$500 to give to these 10 pastors from previous donations. Each time we come to this area (Brother Wesley and I here now as I write), we hope to bring some support for these poor pastors. **We ask you to continue to pray about Preethi's family, and give if he leads you.** They still owe more than \$2,500, which is HUGE for this mother (she sells curry leaves to make a little income).

Continue to pray with us for new donors, and the fulfillment of 2 Corinthians 9:8-12, *"GOD is able to make all grace abound...so that you will have an abundance for every good deed."*

**Above:** Brother Russel from Oklahoma being greeted at the train station by HOPE boys.

**Below:** These are 13 of 15 widows, all of their husbands being killed in persecution more than 11 years ago. Four of their husbands were pastors. We thank the Father for connecting us with a ministry in America which has been giving support to these 15 women via RHM for several years now. You can see that several were very young when their husbands died.

**Below:** Brother Russel sharing a message on Sunday morning while he was here. Sister Buelah from HOPE is translating for him. This church is pastored by Buelah's older brother. We thank GOD for the open door for Russel & Dan to share in this church for many years. *"Praying...that GOD will open up to us a door for the Word" Colossians 4:3*

By GOD's amazing grace, we were able to help them get out of some of their financial troubles, although they still have more. Via RHM funds, Preethi (8th grade) now has a new bicycle.

**Above:** Children from the village of Devuni Manyam showing us new bracelets they had just made during Sunday School being conducted by HOPE girls. There are 6 beads on the bracelet, each bead color representing spiritual truths. They really enjoyed. **Below:** Brother Russel is surrounded by precious HOPE girls. Since he comes to HOPE every year, he has bonded with the boys & girls of HOPE very well.
